Introduction

Beaconhouse Potohar Campus is thrilled to announce the third edition of the Potohar Model United Nations (PMUN 2025), a premier student-led conference, scheduled to take place on the 21st, 22nd and 23rd of February 2025, at our college campus.

Following the resounding success of our previous editions, which welcomed over 2,000 participants and observers from across the nation, we are eager to once again provide a platform for intellectual exchange and dynamic discourse.

About PMUN '25

PMUN 2025 is a three-day conference designed to engage delegates in meaningful and diplomatic debates on pressing global issues.

This initiative not only fosters critical thinking and public speaking but also highlights the boundless potential of our youth in the realm of debate and diplomacy. Participants will have the unique opportunity to enhance their knowledge, develop leadership skills, and connect with like-minded individuals from diverse backgrounds.

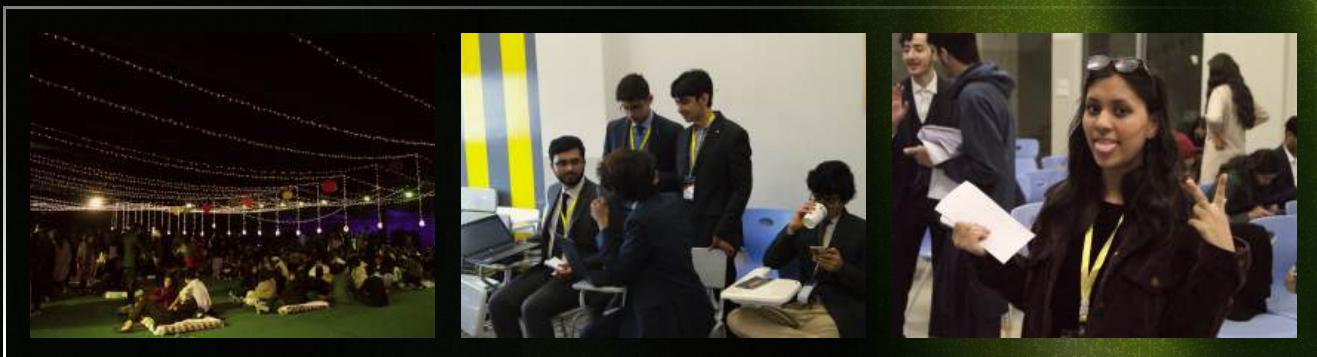

Highlights of PMUN '25

Day 1 → Opening Ceremony followed by a spectacular Concert in the evening.

Day 2 → Committee Sessions during the day and a soulful Qawali night.

Day 3 → Committee Resolutions and Closing Ceremony culminating in a Formal Dinner.

These social events aim to create a balance between intellectual rigor and cultural engagement, ensuring a memorable experience for all participants.

Why Participate?

- **Skill Development:** Enhance critical thinking, negotiation, and public speaking skills.
- **Networking Opportunities:** Interact with peers, mentors, and professionals who share a passion for global issues.
- **Recognition:** Certificates and awards to recognize excellence and participation.
- **Holistic Experience:** A blend of learning and entertainment through engaging sessions and vibrant social events.

We are confident that this conference will be a transformative experience for the students of your esteemed institution. We would be honored to have your delegation join us at PMUN 2025, contributing to and benefiting from this vibrant forum of ideas and dialogue.

Committees

Disarmament and International Security Committee (DISEC)

DISEC addresses issues such as disarmament, arms control, and conflict prevention, working to create a safer environment on a global scale. DISEC contributes to the global pursuit of peace and stability.

The United Nations Human Rights Council (UNHRC)

The UNHRC addresses human rights violations, advocates for global equality and defends the dignity of individuals across the world. The UNHRC ensures accountability for the protection of human rights internationally.

The United Nations Commission on the Status of Women (UNCSW)

The UNCSW tackles dire gender issues, empowers women and promotes transformative policies that pave the way for lasting change. It ensures that women and girls around the world are capable of expressing their rights in political, social and economic fields.

The United Nations Office on Drugs and Crime (UNODC)

A pivotal force in the fight against global crime, UNODC addresses issues such as drug trafficking, organized crime and corruption, striving for a safer, more just world. UNODC supports international efforts to combat crime and uphold justice.

The United Nations Security Council (UNSC)

The UNSC is charged with the responsibility of maintaining international peace and security. The UNSC deliberates on critical global conflicts and enforces resolutions through peaceful means that preserve the world order.

The Economic and Social Council (ECOSOC)

This is the platform for addressing global development. ECOSOC works towards sustainable development by tackling a wide range of economic, social and environmental challenges to bring constant change worldwide.

The International Crisis Ad-Hoc Committee (ICAC)

This committee addresses unforeseen global crises that demand immediate and effective solutions by responding to global emergencies with timely and licit resolutions.

The Pakistan National Assembly (PNA)

The epicenter of Pakistan's democratic processes. This body debates national policies, legislation and critical issues that shape the nation's future. PNA engages in shaping the legislative landscape that influences the governance of Pakistan.

The Fédération Internationale de l'Automobile (FIA)

the global authority that governs motorsport and promotes road safety. Founded in 1904 and headquartered in Paris, the FIA oversees a wide range of motor racing events, most notably as the governing body for Formula One.
